ABOUT G3 REMARKETING

Established in 2009, G3 Remarketing is one of the UK's fastest-growing vehicle remarketing and disposal management specialists with over 130 team members across 2 UK auction facilities. Our industry-leading 14-acre facility in Castleford was purpose-built and opened to great fanfare in 2021 and has been closely followed in 2024 by the opening of the 14-acre centre at G3 Bedford.

With strategic locations in the north and south, the business continues to reshape the expectations of both physical and online auctions. Combined with a new operational platform and client interfaces, G3 will become the benchmark for all other independent auction businesses throughout the UK and Europe.

Due to expansion and growth, G3 are looking to recruit further sale day drivers to strengthen our existing team to drive through our busy auction lanes.
